## COST & FAQ'S

**T-Shirts cost \$2.00 a shirt  
to make to cover ink and  
paper and you will need to  
provide your own shirt.**

**Any of the tools we provide  
you can use once you sign  
our waiver. For example, we  
do not offer a class on sewing,  
but if you know how to  
sew then you can come in  
and use our machine.**
