COST & FAQ'S

T-shirt Press is \$2.00 per sheet of 11x17 transfer paper used, and \$1.25 per sheet of 8.5x11 used.

If you need to use one of our T-shirts, it is \$2 per shirt and we cannot guarantee sizes of any kind.

There are two kinds of transfer paper: Opaque and Transparent. Opaque is for use on colored t-shirts and works best with a full color image with no white spaces. Transparent is best for light or white t-shirts.
